

March 27, 1980

LB 743

failed is because of the part between Senator Lewis and Senator Keyes, and I understand that has been pretty much agreed, so I would urge you to reconsider it and vote.

SPEAKER MARVEL: Okay, the motion before the House is the reconsideration of 743. All those in favor of reconsideration vote aye, opposed vote no. We are reconsidering our action on 743. Have you all voted?

SENATOR DeCAMP: Where is Nelson?

SPEAKER MARVEL: The motion before the House is the reconsideration of 741. Have you all voted? 743, sorry. I still have 741 on my mind. Have you all voted?

SENATOR DeCAMP: Mr. President, how many are still absent or excused?

SPEAKER MARVEL: Have you all voted? Senator DeCamp, what is your....

SENATOR DeCAMP: My pleasure is to quit.

SPEAKER MARVEL: Okay, record the vote.

CLERK: 30 ayes, 7 nays, Mr. President, on the motion to reconsider.

SPEAKER MARVEL: The motion carried. All provisions of law having been complied with, the question is, shall the bill pass on Final Reading? All those in favor vote aye. I'm sorry.

SENATOR KEYES: I believe the bill is back and there can be some explanation of why there is a difference between Frank and I in the discussion of the bill.

SPEAKER MARVEL: Senator Keyes, I am sorry.

SENATOR KEYES: Just what rule lets you bring a bill back from the dead and then not have it discussed? Is there a rule that says when they come back from the dead they cannot be discussed?

SPEAKER MARVEL: No, but the Chair would rule that you have to discuss a motion. Do you have a motion?

SENATOR KEYES: I make a motion that we indefinitely postpone the bill. That would give me time to say what I want to say.
