LB 647

Committee, if I am not mistaken and you can check this with Senator Warner, had 29.8 in the appropriations for homestead exemption. Am I correct?

SENATOR WARNER: 29 even.

SENATOR LABEDZ: 29 even, okay.

SENATOR KEYES: And the 29 was how much more than the year before? See what I am trying to find out is, each one of us have our own priority that we would like to increase the state spending above the seven percent. The Governor has come in with his and I am going to vote for it. I hope he don't veto something that I voted for that is going to be an increase over the seven percent. Thank you.

SPEAKER MARVEL: Senator Labeledz, do you wish to be recognized?

SENATOR LABEDZ: No....

SPEAKER MARVEL: We are on the Chronister amendment.

SENATOR LABEDZ: Thank you, Mr. Speaker. I just wanted to say that I do support Senator Chronister's amendment. Thank you.

SPEAKER MARVEL: Senator Warner, do you...your light is still on. Do you wish to be recognized? Senator Chronister, do you wish to close on your amendment?

SENATOR CHRONISTER: No close, thank you.

SPEAKER MARVEL: Okay, the motion is the adoption of the Chronister amendment to the bill. Is it to the bill? Yes. All those in favor vote aye, opposed vote no. We are voting on the Chronister amendment to the bill. Record the vote on the Chronister amendment.

CLERK: 29 ayes, 1 nay, Mr. President, on adoption of the Chronister amendment.

SPEAKER MARVEL: Okay, the motion is carried and the Chronister amendment is adopted. Is there any other business on this bill before we advance it?

CLERK: No, Mr. President, I have got nothing further on the bill.

SPEAKER MARVEL: The motion is to advance the bill to E & R for review. All those in favor of that motion vote aye,
