

April 1, 1980

LB 346

provisions of LB 346 become effective and then the place of filing is changed to the Secretary of State.

SENATOR MURPHY: All right, now then in subsection 4 on page 5 and subsection 4 on page 10, are we altering for whatever kind of an interim period you have the provisions of subsection 4 relating to rules? In the first subsection 4 you add new language. Then in the next page you strike the language you just added. I just have a lot of trouble reading that thing, Senator, and....

SENATOR JOHNSON: I can appreciate that, Senator Murphy. I'm having a lot of trouble reading it as well. I know....

SENATOR MURPHY: I think somebody once said, a camel is a horse designed by a committee.

SENATOR JOHNSON: Well, it could also be that designed by a lobbyist for the Nebraska Bar Association.

SENATOR MURPHY: Thank you, Mr. Johnson. I think possibly you would want to read a little more carefully, or certainly I need to, or I need a seeing-eye dog or an interpreter or something, because this bill certainly seems to flip-flop from page...prior to page 9 and after page 9, and for the life of me I can't follow it, and I am not sure what is implemented where.

SPEAKER MARVEL: Senator Murphy, reluctantly I remind you that your time is up.

SENATOR MURPHY: Thank you and I am glad of that.

SPEAKER MARVEL: Underneath the south balcony is guests of Senator Pirsch. It is my privilege first of all to introduce to you Muthu Udayamurthy from India who is connected with the Dadco Food Products Incorporated, and also Russell Sawyer of Omaha. Will you gentlemen please stand so we may say hello? If I didn't pronounce the name correctly, I will seek volunteers to help me out. We are happy to have you with us. Senator Nichol.

SENATOR NICHOL: Mr. Chairman and members of the Legislature, I rise to support Senator Vard Johnson's request to return this for the amendment to accommodate LB 621. Mr. Larry Ruth who did work very hard and diligently with many other lawyers to attempt to bring 621 into good shape prior to bringing it to us, apologizes for the little error that we have with us and it is necessary to have this amendment.
