LB 820

SPEAKER MARVEL: We take fifteen minutes and go through each one of them. Each one of them will get fifteen minutes.

SENATOR DWORAK: And then also, Mr. Speaker, is there a chance that we could get an idea as to the adjournment time so that I would have an indication of how deep into General File we would get notwithstanding this list of General File?

SPEAKER MARVEL: You are talking about additional General File bills.

SENATOR DWORAK: That is right. I am talking about 891 specifically.

SPEAKER MARVEL: I would assume that we will meet until between six and six thirty tonight.

SENATOR DWORAK: And we will stay on General File for the rest of the day.

SPEAKER MARVEL: Senator Dworak, once we get to General File we will stay on it.

SENATOR DWORAK: Not only the list but then into the regular General File order.

SPEAKER MARVEL: Yes.

SENATOR DWORAK: Thank you.

SPEAKER MARVEL: Okay, the order of business is going to be first of all, 820 and then we will go to motions and then we will go to General File. The Chair would appreciate the cooperation of the Legislature in processing as rapidly as possible. Yes, sir.

SENATOR DWORAK: We are not operating then under suspension of rules at this point?

SPEAKER MARVEL: No.

SENATOR DWORAK: Well, Mr. Speaker, time is of the essence and that motion is going to be forthcoming and I have not talked to the Speaker but I would make that motion. Why wouldn't 820 be a part of that? Why would that be outside of everything else on General File as you and I indicated in previous discussion?

SPEAKER MARVEL: 820 is in the same category as 939 which
