LB 637

Section 7a and Rule 5, Section 7 and 9 and provide that LB 637 shall be reconsidered and passed on Final Reading with one vote. That motion, Mr. President, is on page 1667 of the Journal.

SPEAKER MARVEL: The Chair recognizes Senator DeCamp.

SENATOR DeCAMP: Mr. President, I shan't take a great deal of time. You may remember 637 was Senator Maresh's bill. I think the day it came up a couple of time, three, four, five people were absent. SPEAKER MARVEL: Well this is one to suspend...read the motion again.

CLERK: (Read DeCamp motion)

SENATOR NEWELL: With one vote, all at the same time.

CLERK: Yes, sir.

SENATOR NEWELL: And that is the motion. I would like to speak to that motion.

SPEAKER MARVEL: Okay then, Senator Dworak, after he gets through I will recognize you.

SENATOR NEWELL: Mr. President, members of the body, I know that in these waning hours we like to take some shortcuts and maybe shortcuts are in order to do this all in one motion seems to be not only a great perversity of the rules but it is the beginning of a process which I am sure that Senator DeCamp is planning to repeat and repeat over and over again and as Senator Schmit said last week, you know,
