LB 1002

The only comment I would want to make is when you diddle around with the formula you are cheating somebody so why not just do away with the formula, put it out on a per student basis and let it go at that. I think it is the most fair way and I certainly agree with Senator DeCamp that students are students, no matter whether they are in Neligh or Minden or Axtell or Kearney or Bellevue or Omaha. I ask for support for this amendment.

SENATOR CLARK: The question before the House is the return of the bill, 1002. All those in favor vote aye, all those opposed vote nay.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Have you all voted? Have you all voted? Senator Kahle.

SENATOR KAHLE: How many are excused?

SENATOR CLARK: Two.

SENATOR KAHLE: In that case I ask for a Call of the House and a roll call vote. Let's get this settled.

SENATOR CLARK: A Call of the House has been requested. All those in favor of a Call of the House vote aye, all those opposed vote nay. Record the vote.

CLERK: 14 ayes, 0 nays to go under Call, Mr. President.

SENATOR CLARK: The House is under Call. All legislators will take their seats. All unauthorized personnel will leave the floor. Please record in. Will you please record in? Senator Keyes and Senator Schmit, will you please turn off your speaking lights? Senator Fitzgerald, Senator Chambers and Senator Simon, Senator Hoagland, would you record in. Senator Fitzgerald. Senator Kahle, do you want to go ahead with the roll call? We are short two right now.

SENATOR KAHLE: Can they be located quickly?

SENATOR CLARK: I wouldn't know about that. Senator Fitzgerald, Senator Simon.

SENATOR KAHLE: Go ahead, Mr. President.

SENATOR CLARK: Start the roll call.
