

April 10, 1980

entire world not only the breakdown of the international economy but the very real threatening of World War Third. Let us all work and reflect and pray together to prevent that terrible fate and affirmatively to achieve the headway critical to the future we all inadvertently must share, God willing. Thank you very much.

SPEAKER MARVEL: Mr. Ambassador, we appreciate having both of you here this afternoon and we hope that you will be our guests again and perhaps we can meet in your home land. Thank you very much.

(Guests escorted from the Chamber.)

SPEAKER MARVEL: May we reconvene. We have one more bill and then we will move to Select File.
