SPEAKER MARVEL: Record your presence, please. Pat, what
about.... Record the vote, Mr. Clerk.

CLERK: Quorum present, Mr. President.

SPEAKER MARVEL: Do you have any corrections to the Journal?

CLERK: I have no corrections, Mr. President.

SPEAKER MARVEL: Do you have any notices, reports or
announcements?

CLERK: Mr. President, communication from the Governor
addressed to the Clerk. (Read communication regarding
LB 184, 184A, 228 and 228A, as found on page 1825 of the
Legislative Journal.)

Mr. President, your Committee on Enrollment and Review
respectfully reports they have carefully examined and en-
grossed LB 280 and find the same correctly engrossed, 628,
632, 632A, 666, 690A, 694, 790, 882, 882A, and 959, all
correctly engrossed. (Signed) Senator Wesely, Chairman.

SPEAKER MARVEL: Is that it? Okay, can I have the attention
of the Legislature just a moment? I suggest that sometime
early in the session this morning that you check the Con-
stitution of the State of Nebraska, especially on page 9,
Section 14, and it says in effect that there has to be one
intervening day before a bill can be passed on Final Reading.
That means that any bill that is processed today has to
be reported to Final Reading before adjournment tonight,
and if it is not, it is not going to be acted upon. Now, I
am going to make another statement which some will not be
too happy with but I am going to make it anyway. There are
rumors around this place that some of you, for one reason
or another, are going to try to stall the proceedings. If
that be true, you are only going to do one of two things,
you're either going to force the special session, or you
are going to force an attempt to extend the session. If
that be your will, then you take that responsibility on your
own shoulders. We have 38 bills....38 issues basically
which include Select File and also motions to return bills
from Final Reading. Thirty-eight issues...if we work from
nine to twelve and one to eight will give each one of those
issues about 38 minutes. Now that is the situation we are in.
