sixty days for me, especially the last ten days has been like Christmas, every day, every hour, every fifteen minutes because there were always surprise packages, and I am indebted to Speaker Marvel and to Mr. O'Donnell, Clerk O'Donnell, for helping to keep this to be a surprise package. This is a great honor and I am going to miss these guys and for the great honor on your behalf and following up on the resolution that you voted for to present to these gentlemen their honorary degrees, and I encourage you to examine them afterwards because they are kind of pretty. Senator Simon. Senator Murphy. Senator Kelly. And last but not least, Senator Tom Kennedy. Thank you very much.

I wanted to do that in February. Further, that the Chairmen of all standing committees file with the Clerk of the Legislature all standing committee records so that a proper record may be made of the final disposition of all bills. Thank you again.

PRESIDENT: You have heard the Murphy motion. All those in favor signify by saying aye, opposed nay. The Murphy motion passes and these bills are killed and he goes down in history for killing all those bills on this last day. Okay, I think that we should also, adding to Senator Murphy's tribute to his wife, Bess, I think we should also,
