they are very important so I will recognize you.

SENATOR REUTZEL: Mr. President, members of the body, there was quite a few of us pooled our excess monies from our \$13.33 a day here and in recognition of Senator Wesely's hard work we wanted him to keep it up so we pooled our money and got a box of crayolas for Senator Wesely to go into his briefcase.

PRESIDENT: Congratulations, Senator Wesely. Senator Wesely, as a former E & R Chairman, I want you to know that these people just don't realize how hard that job is and I want to tell you I do so you did a great job. So let's go on then to the next motion by Senator Kremer.

SENATOR KREMER: Mr. Chairman and members, I move that as evidence of our sincere appreciation for our presiding officer, Lt. Governor Roland A. Luedtke, for the fair and impartial performance of his duties, that we present a plaque of Nebraska as an emblem of his serving so well as presiding officer. I move the amendment. Now, Mr. Chairman, I would like to read the message. There is no message. Presented to Roland A. Luedtke, President, Nebraska Unicameral, 86th Legislature, 1979-1980. Now Mr. Chairman, members of the Unicameral, you will note that Senator Luedtke occupied the desk that I now occupy which means it is only one step away from Lt. Governor. I hope I get one like this in a few years.

PRESIDENT: I thank you all and thank you for those kind words, Senator Kremer.

SENATOR KREMER: Lt. Governor Luedtke, if you will come, I would like to present you with this plaque as a token of appreciation for your operation as Lieutenant Governor in presiding officer over this Legislature.

PRESIDENT: The next motion is by Senator Clark. The Chair recognizes Senator Clark.

SENATOR CLARK: Mr. President, I move that as evidence of our sincere appreciation for our presiding officer, the Speaker Richard D. Marvel, for fair and impartial performance of his duties, that we present a plaque of Nebraska as an emblem of his having served as Speaker. It says on the plaque, Richard D. Marvel, Speaker, Nebraska Unicameral, 86th Legislature, 1979-1980, and if he isn't too tired, I would like to have him come down and get it because I am not going to walk up there.
