

PRESIDENT: The motion carries and the temporary rules are adopted for the twelfth day of January, 1981. The Chair recognizes Senator Cal Carsten.

SENATOR CARSTEN: Mr. President and members of the Legislature, as has been I guess what now has become a tradition, I am happy to have in the front of the Chamber in front of the Clerk's desk the apples for this year from Nebraska City. With some degree of apology, I give them to you for your pleasure. This year the crop was short. The delicious apples were placed in storage early and have not kept as well as they usually do. However, these are a Winesap apple that are solid and juicy, a little more tart than the delicious apple but we believe you will enjoy them equally as well. Just to prove that Nebraskans are willing to make change, we have made a change this year but hopefully next year the delicious will be back in. Keep the doctor away and eat an apple a day and remember they come from the ground that J. Sterling Morton owned on which these apples grew. Thank you, Mr. President.

PRESIDENT: Thank you, Senator Carsten. We always look forward to the apple day. Mr. Clerk, we are then ready for any messages, reports or announcements.

CLERK: Mr. President, I have the lobby registrations report as of January 9. The names will be inserted in the Legislative Journal. (See pages 106-112 of the Journal.) In addition I have on file in my office an exhibit plan from the Nebraska State Historical Society Museum.

Mr. President, Senator Goodrich would like to have his name added to LB 40 as co-introducer.

PRESIDENT: No objections, so ordered.

CLERK: Mr. President, LR 1 is ready for your signature.

PRESIDENT: While the Legislature is in session and capable of doing business, I propose to sign and I do sign LR 1. We are now ready for agenda item #5, resolutions and, Mr. Clerk, you may read LR 2.

CLERK: (Read LR 2.) Mr. President, again, it may be found on page 96 of the Legislative Journal.

PRESIDENT: The Chair recognizes Senator Goll.

SENATOR GOLL: Mr. President, John G. Neihardt became a poet laureate of Nebraska in 1921, and although I am not certain what has happened in the past concerning the commemorative postal stamps, it is my understanding that
