LB 41

amendments. (Signed) Senator Landis, Chair. (See page 456 of the Legislative Journal.)

PRESIDENT: Senator Hefner, you want to lay over this LB 167? All right, it will be laid over. We will go onto LB 41, Mr. Clerk.

CLERK: Mr. President, LB 41 was offered by Senator Marge Higgins of the 9th District. (Read title to LB 41.) The bill was read on January 8, 1981. It was referred to the Government, Military and Veterans Affairs Committee. It was advanced to General File. I have no amendments pending, Mr. President.

PRESIDENT: The Chair recognizes Senator Higgins.

SENATOR HIGGINS: Mr. President and Senators, this is a bill that I was asked to introduce on behalf of our Douglas County Clerk, and I think it is pretty much self-explanatory in the committee statement there, that the current law provides that each county officer shall provide a county board with an inventory statement of all counties' personal property in that elected official or officer's possession. Each county board is also required to file with their County Clerk a list of all the real estate and real property in which the county has any sort of interest. Well, in the past they have been taking up to six months to do this. We have visited with many of the elected officials there and they have agreed that this would not present any hardship on them to get it into the County Clerk's office within sixty days after the end of their fiscal year, and we use fiscal year realizing that some counties also have different times that their fiscal year might end, so that it would give them all sixty days. I would like to urge your support of this bill for Douglas County. Thank you, Mr. President.

PRESIDENT: Is there any further discussion on the advance of LB 41 to E & R Initial? Hearing none, Senator Higgins, I guess that is your opening and your closing and if that is all right we will just take a vote. All those in favor of advancing LB 41 to E & R Initial will vote aye. Opposed nay. Record the vote.

CLERK: 29 ayes, 1 nay on the motion to advance the bill, Mr. President.
