LB 18, 121

SPEAKER MARVEL: The motion is carried. The bill is advanced. The next bill is LB 121.

CLERK: Mr. President, LB 121 offered by Senator Vickers. (Read title). The bill was read on January 13. It was referred to the Government Committee. The bill was advanced to General File. There are Government, Military and Veterans Affairs Committee amendments pending, Mr. President.

SPEAKER MARVEL: Senator Kahle.

SENATOR KAHLE: Mr. President and members, according to the records that I have, do you have committee amendments?

CLERK: Yes, sir.

SENATOR KAHLE: I don't find any here. What do you have?

CLERK: It says: "On page 4, line 4, strike the word "district" and insert "public body", and in line 23 after the period insert "upon the granting of such easement it shall be the duty of the Secretary of the Board of Educational Lands and Funds to transmit a certified a copy of the easement for filing in the office of the Register of Deeds in the county or counties where the easement is located".

SENATOR KAHLE: Okay, I found it now.

CLERK: Did you?

SENATOR KAHLE: Yes.

CLERK: Okay.

SENATOR KAHLE: The committee amendments as stated are on page 400 of the Journal and the amendment would strike "districts" and insert "public body" on page 4, line 4. This is a technical amendment needed because the rest of the bill refers to public bodies not districts. So it for language uniformity. The other part of the amendment would insert at the bill a sentence that makes it the Board of Educational Lands and Funds duty to file a copy of the easement in the office of the Register of Deeds in the county where the easement is located. The statutes currently place this requirement on the board when they sell property, so this amendment is to keep the board's duties uniform. I think this is self-explanatory and it does...is necessary to make the language read correctly, and so I move for the adoption of the committee amendments.
