CLERK: 25 ayes, 0 nays, Mr. President, on the motion
to withdraw.

PRESIDENT: The motion carries. LB 518 is withdrawn.
Move on then to agenda item #5, resolutions beginning
with LR 17.

CLERK: Mr. President, LR 17 was introduced by Senator Peter
Hoagland. It is found on page 550 of the Journal. (Read
LR 17.) That is found on page 550 of the Journal, Mr. Pre-
sident.

PRESIDENT: The Chair recognizes Senator Hoagland.

SENATOR HOAGLAND: Mr. President and colleagues, the resolu-
tion is set out on page 550 of the Journal. Senator Muskie,
former Secretary of State Muskie, is coming to UNL for a
three-day seminar in early April and we have checked with
faculty members at the University who are sponsoring that
seminar and they have given us permission to invite the for-
mer Secretary of State to briefly address the Legislature
some time at the mutual convenience of everyone involved
when he is here in town. I needn't really say very much to
all of you about the former Secretary of State. He, of course,
has had one of the most illustrious political careers of any
living public servant, and I think we would all benefit
greatly by having him come to visit us and speak to us for
20 or 25 minutes on matters of current national and inter-
national interest. So I would ask you to support this re-
solution and invite Secretary Muskie so we can have the
benefit of his appearance. Thank you, Mr. President.

PRESIDENT: Any further discussion on LR 17? Seeing none,
then, Senator Hoagland, I guess that is your opening and
closing. So the question is the adoption of LR 17. All
those in favor vote aye, opposed nay. Record the vote.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption
of LR 17.

PRESIDENT: The motion carries and LR 17 is adopted. The
next legislative resolution, #18.

CLERK: Mr. President, LR 18 is found on page 551. It was
introduced by Senator Wagner and several other members.
(Read LR 18.) Again, Mr. President, it is found on page
551 of the Journal.

PRESIDENT: The Chair recognizes Senator Wagner.

SENATOR WAGNER: Mr. Speaker, members, I think about 30 of
