SENATOR KOCH: Mr. Speaker, thank you. The original A bill, we still had the trust fund earmarked in the Department of Education. There was some objection on the floor about the earmarking. What we did in the amendment to the A bill was to make certain money collected for license fees goes directly to the general fund and the amount you see here is the amount we are presently giving to driver's ed plus the new amount which we approved and I ask for the adoption of this amendment to the original 207A.
