CLERK: Mr. President, I have an amendment by Senator Lamb. The amendment reads as follows: (Read Lamb amendment found on page 631, Legislative Journal.) That is offered by Senator Lamb.

SPEAKER MARVEL: Senator Lamb.

SENATOR LAMB: Mr. President and members, this amendment was brought to me by a judge in my district and I think he has a good point, the point being that the determination as to whether or not the county attorney is a full time county attorney should be made by the county board prior to the time that the county attorney files for office. In other words, all the candidates for county attorneys should know whether or not the county board is going to elect to have a full time county attorney before their filing date. Otherwise, they would not know what their situation would be. It would probably cause some misunderstanding. I move the amendment be adopted.
