LB 136

would make a decision and this bill does provide for criterion so that the Racing Commission will have to follow that criterion in determining whether or not Sunday racing should even be voted on. I would move the bill from General File to E & R.

SPEAKER MARVEL: Senator Schmit.

SENATOR SCHMIT: Mr. President, I rise in support of LB 136. I believe that Senator Dworak pointed out that it is important to the entire State of Nebraska that the thoroughbred industry remain active and viable throughout the State of Nebraska. Without this kind of an option, it would be very difficult for the small operations to continue to sustain themselves. I want to support Senator Peterson's bill and ask you to support it also.

SPEAKER MARVEL: Senator Peterson, do you wish to close on the advancement of the bill? Okay. All those in favor of advancing the bill to E & R for Review vote aye, opposed vote no. LB 136. Record.

CLERK: 28 ayes, 6 nays, Mr. President, on the motion to advance the bill.

SPEAKER MARVEL: The motion is carried. The bill is advanced. Before we go to the next bill, underneath the North balcony, I wish to introduce the mother of Ron Schroeder who is the committee counsel for the Miscellaneous Subjects Committee, Darlene Schroeder, who is from Senator Warner's District and also a guest of Senator Hefner. Where are you located, Mrs. Schroeder, so we can wish you "Good Morning". The next bill is LB 128.

CLERK: Mr. President, if I may, before we...

SPEAKER MARVEL: Senator Johnson.

CLERK: ...proceed to that, I would like to read some material into the record.
