Mr. President, Senator Kremer would like to have the Public Works Committee meet underneath the North balcony right now for purposes of an exec session, the Public Works Committee underneath the North balcony, Mr. President, right now if possible.

Mr. President, your committee on Government, Military and Veterans Affairs reports LB 492 to General File, (Signed) by Senator Kahle as Chairman.

PRESIDENT: The Chair recognizes Speaker Marvel for an important announcement. Speaker Marvel. Would the Legislature please pay some attention to the Speaker at this point.

SPEAKER MARVEL: I wish you would get out your paper and pencils because we are talking about deadlines for priority bills. You will find on page 137 of the Journal for the fifth day, January 13, 1981, Rule 5, Section 6 which talks about scheduling of bills and priority bills. Your individual priority selection as well as your committee selection, the deadline is March 13 which is Friday. The deadline for the Speaker is March 17 and the chairmen who met this morning, although the rule does create some misunderstanding, what would happen is that your bills designated by either yourself or the chairman of your committee or committees, those bills would be gathered in by the Speaker's office and we would set them up as priorities on the agenda. Now there is some discussion about a way to maneuver so you can get more priority bills than somebody else and I would assume that no one in this body would operate that way but March 13 is the deadline for priority bills individual and committee and March 17 is the deadline as far as the Speaker's office is concerned and we would implement this through the agenda. If anybody has any questions I will try to answer them, otherwise you can find on your worksheet for this morning the beginnings of a listing of priority bills. There are five listed this morning, 56, 245, 269, 290 and 404.
