CLERK: 32 ayes, 0 nays, Mr. President.

SPEAKER MARVEL: The motion is carried and the amendment is adopted. Now we go to LR 32.

CLERK: Mr. President, LR 32 offered by Senator Hefner found on page 829 of the Journal. (Read.) That is found on page 829 of the Journal, Mr. President.

SPEAKER MARVEL: Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, this resolution, LR 32, recognizes and honors the Randolph Cardettes. This team won the Class C basketball, the girls basketball championship crown several weeks ago and this capped a perfect season. They went through the season undefeated, 25 wins and no losses. The Randolph Cardettes girls basketball team just started five years ago and so they have accomplished something here that was quite great I feel. So I would appreciate it if you would support me in this resolution this morning honoring and recognizing this northeast Nebraska school and their team, the Randolph Cardettes. I urge you to support and adopt this resolution.

SPEAKER MARVEL: Senator Clark.

SENATOR CLARK: Mr. President and members, I was just wondering if it wouldn't be possible that we put all of the champions of the women and all of the champions of the men in one resolution and send them to these people. I happen to have a Class B champion, too, but it looks to me that every year we spend about an hour and a half, two hours going through this, and if we put them all into one resolution, certainly we commend one as much as the other, and I am not trying to downgrade Randolph. I think we commend one team as much as the other in their effort and everything else but also their luck in winning a state tournament but I just wonder what the Senator would think of that. Do you think it would be feasible just to put them all in one resolution?

SPEAKER MARVEL: Senator Hefner, do you want to respond?

SENATOR HEFNER: Yes, Senator Clark, I will respond to that.
