provide the service.

SENATOR COPE: Thank you.

SPEAKER MARVEL: Senator Koch, do you want to close?

SENATOR KOCH: Mr. Speaker, I will be very brief. I
know that in visiting with Senator Warner and other
members of the committee, Appropriations, that we do
have some problems in relationship to dollars to be
expended for certain kinds of services, but I am re-
questing that this body place the bill eventually on
Final Reading and it will have to rest there for a while
until we determine how monies are going to be appropriated,
and if we find that there is some way we can squeeze a
little bit, I would think it would be most appropriate
that this bill be advanced and that we try this. The
reason I say this is that I don't know how the Appropria-
tions Committee handles all the agencies working with
the handicapped in the different kinds of programs, but
I am certain with what we did last year in the Coordinating
Commission, now we take the mental retardation districts
into consideration that we are going to get a more coor-
dinated effort and that we are going to have a sharing of
responsibilities, a rightful sharing of responsibilities
in regard to education, residential care and a host of
other problems that are naturally associated with that
issue. I am asking that the body advanced LB 317 to
E & R Initial as amended.

SPEAKER MARVEL: The motion is to advance the bill to
E & R Initial. All those in favor vote aye, opposed vote
no. Record the vote.

CLERK: 27 ayes, 0 nays on the motion to advance the
bill, Mr. President.

SPEAKER MARVEL: The motion carried. The bill is
advanced.

CLERK: Mr. President, while we are waiting, your committee
on Public Health and Welfare whose Chairman is Senator
Cullan, reports 448 to General File with amendments, 459
to General File with amendment, 450 to General File with
amendments, 451 to General File, 263 to General File with
amendments, 447 indefinitely postponed. (See pages 1190
through 1193 of the Legislative Journal.)
