SPEAKER MARVEL: Motion is carried, the bill is returned. The motion now is the adoption of the Sieck amendment. The motion is to return the bill for a specific amendment. The motion is to adopt the amendments. Senator Nichol, do you wish to speak to that motion to adopt the amendment.

SENATOR NICHOL: Mr. Chairman, I don't know who is confused or if anybody is confused, I don't know that any trick was pulled but I would like to have one day worth to have a look at this. I'll take my share of responsibility since I was gone at that time, the day of the hearing. Nevertheless that is no excuse. So, Mr. Speaker, would it be possible to do this, in the first place, I don't want to prejudice the bill and would it be acceptable to you, with you if we would do that rather than accepting the amendment and passing it along and perhaps having to bring it back for reprinting again

SPEAKER MARVEL: Are you asking unanimous consent to pass over the bill for one day? Is that your request?

SENATOR NICHOL: If it is agreeable with Senator Sieck, yes I would ask that.

SPEAKER MARVEL: Is there any objection? If not, so ordered. Next bill is LB 459.

ASSISTANT CLERK: Read LB 459.

SPEAKER MARVEL: All provisions of law having been complied with, the question is, shall the bill pass. Those in favor vote aye, opposed vote no. LB 459. Have you all voted? LB 459 on Final Reading. Have you all voted? Record the vote.
