LB 324

PRESIDENT LUEDTKE PPESIDJNG

PRESIDENT: Prayer by Senator DeCamp, Chaplain of the morning.

SENATOR DeCAMP: (Prayer offered).

PRESIDENT: Roll call.

SENATOR DeCAMP: Amen.

PRESIDENT: For the record. Record the presence.

CLERK: There is a quorum present, Mr. President.

PRESIDENT: A quorum being present, are there any corrections to the Journal?

CLERK: I have no corrections, Mr. President.

PRESIDENT: The Journal stands correct as published. Any messages, reports and announcements?

CLERK: Mr. President, I have nothing on the desk this morning.

PRESIDENT: We will proceed then with item #4 on the agenda, Select File, commencing with LB 324.

CLERK: Mr. President, yesterday when 324 was considered Senator Landis at that time made a motion to withdraw the bill. That is now before us.

PRESIDENT: The Chair recognizes Senator Landis. Just a minute, Senator Landis, you are not on. Okay, go ahead.

SENATOR LANDIS: Mr. Speaker, members of the Legislature, LB 324 is a pension bill for primary class cities. The essential provisions of that bill have been put into another primary class city, LB 366, and for that reason since there are no provisions of merit at this point, I would move to withdraw the bill rather than to have it be laying around on Select File open for amendment.

PRESIDENT: Any further discussion? Senator Newell, did you wish to speak to the withdrawal motion? You have your light on. I was just wondering what it was on for. Oh, okay, it works. Testing for the day. Any further discussion? I guess, Senator Landis, that is your opening and your closing so the motion is to withdraw LB 324. All those in favor vote
