should be at their desks. Senator Nichol, what....do you want to...?

SENATOR NICHOL: Well, I don't know if I can ad-lib long enough. I need Senator Cullan with a little help back there.

PRESIDENT: Well let's not have any...hopefully I wouldn't think we would politick in this body, no.

SENATOR NICHOL: Oh, pardon me, I'm sorry.

PRESIDENT: Not on this last day, Senator Nichol, please.

SENATOR NICHOL: No, I wouldn't do that.

PRESIDENT: Let's not start that, no.

SENATOR NICHOL: I hate to have a Call of the House and roll call but let's go.

PRESIDENT: Well, Call of the House, there is no need to because we have got a Call of the House...we are under Call, and the only thing is you can ask for a roll call vote I guess.

SENATOR NICHOL: Let's have a check-in then and go for a roll call.

PRESIDENT: Oh, you want to check in again.

SENATOR NICHOL: Yes, I hate to because I see several not in their seats.

PRESIDENT: All right, okay. All right, will everybody check in again since we are still under Call. Let's just see where everybody is and then you want a roll call vote. Is that right? Okay. Senator Labeledz, do you want to give us a green light? Senator Labeledz, do you want to give us a green light, please? Senator Schmit, would you give us a green light? Senator Von Minden is coming. Senator Hefner, is that...? Senator Nichol, do you want to wait for Senator Hefner to come to have a roll call?

SENATOR NICHOL: Why don't you go ahead.

PRESIDENT: All right, we will go ahead. Roll call vote. The question is that LB 129A become law notwithstanding the action of the Governor. Go ahead.
