LB 426

SENATOR CLARK: Welcome, Queen Verlyne. Senator Barrett, did you want to...?

SENATOR BARRETT: Mr. Chairman, yes, I'd simply like to reiterate what Senator Vickers has said and may I also repeat that although Verlyne Dannehl lives in Senator Vickers' district, her mailing address is in my district, the 39th. In addition to her fine honor of being Nebraska Pork Queen may I also suggest in case you haven't noticed, she is a very, very fine Page for the Nebraska Unicameral.

SENATOR CLARK: I guess a queen should have two senators so it is all right.

SENATOR BARRETT: I think you're right.

SENATOR CLARK: We will now go to #8 on the agenda, take up LB 387.

CLERK: Mr. President, I have a request from Senator Rumery as introducer to pass over LB 387.

SENATOR CLARK: All right, we'll go to the passover. LB 417, Senator Cullan. Is he here?

CLERK: No, sir, he is excused for the day.

SENATOR CLARK: LB 421.

CLERK: Mr. President, I have a request from Senator DeCamp as chairman of the Banking Committee who introduced the bill to pass over LB 421.

SENATOR CLARK: 421 is passed over. We will go to 261. Same thing?

CLERK: Mr. President...

SENATOR CLARK: That is a Public Health bill. Senator Cullan is not here. We'll pass over that one. #426 by Senator Dworak.

CLERK: Mr. President, LB 426 was a bill introduced by Senator Don Dworak. (Read title.) The bill was first read on January 20, 1981, referred to the Banking Committee for public hearing. The bill was advanced to General File, Mr. President. There are committee amendments pending by the Banking Committee.
