LB 511, 778, 779

Mr. President, your committee on Banking whose Chairman is Senator DeCamp to whom was referred LB 778 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; and LB 779 General File with amendments. Both signed by Senator DeCamp.

Mr. President, on LB 511...

SENATOR CLARK: (Gavel) Could we have it a little quiet under the balcony please.

CLERK: ...there are E & R amendments, Mr. President.

SENATOR CLARK: There is no E & R amendments?

CLERK: There are, Senator.

SENATOR CLARK: Senator Kilgarin. Senator Lamb, would you take the E & R amendments?

SENATOR LAMB: Mr. President, I move the E & R amendments be adopted.

SENATOR CLARK: You have heard the motion. All those in favor say aye, opposed nay. The amendments are adopted. Next amendment.

CLERK: Mr. President, Senator Lamb would move to amend, and the amendment is on page 398 of the Legislative Journal.

SENATOR CLARK: Senator Lamb.

SENATOR LAMB: Mr. President, members of the Legislature, if I can speak over the din under the North balcony...

SENATOR CLARK: (Gavel) Could we once again have it quiet under the North balcony. We cannot hear.

SENATOR LAMB: ...I have an amendment which is printed on page 398 of the Journal and the first two paragraphs of that amendment are merely clarification. They make the same language just read a little better. The third paragraph requires that there will be a special license plate for the well-boring apparatus. We checked with the Department of Motor Vehicles and they have decided that this is the best way to approach it. The fee is not changed. It is still the one-twelfth which was in the bill as we advanced it from General File but there will be a designation on the license plate that this vehicle is hauling well-boring apparatus. That is the extent of the amendment and I ask that it be adopted.
