SPEAKER MARVEL: Item #5 is the next order of business.

CLERK: Mr. President, Senator Barrett as Chairman of the Business and Labor Committee moves for the introduction of a new bill, Request #1659.

SPEAKER MARVEL: Senator Barrett.

SENATOR BARRETT: Mr. Speaker and members, with reference to request #1659 and #1660 I would move for the suspension of Rule 5, Section 5, paragraph (a) in order to introduce the state claims bills. As you know this is an annual exercise which we must go through each year because the claims bills are not ready prior to the deadline date for the introduction of new bills in the body. We have two bills again this year, one for claims which have been approved by the Claims Board, one which is disallowing claims. The bills will be heard before the Business and Labor Committee. I would, therefore, renew my request that we suspend the rules in order that these two bills might be heard. Thank you.

SPEAKER MARVEL: The motion is the introduction of a new bill, Req. #1659 and the motion is to suspend the rules so that 1659 can be introduced. All those in favor of the motion vote aye, opposed vote no. It takes 30 votes. Have you all voted? Record the vote.
