LB 642, 678

out of the pockets of one or the other parents and sometimes by gentlemen agreement or I should say gentleboard agreement the board, the school board of the original school district sometimes elects to pay that tuition. The bill tries to harmonize the difficulties that the parents and the child are facing by recognizing the fact that they are both taxpayers paying on property perhaps in both districts and I think it is equitable and it is fair and I would hope that you would see fit to advance it. Thank you, members.

SPEAKER MARVEL: Senator Lamb.

SENATOR LAMB: Mr. President, members of the Legislature, a question of Senator Wiitala please.

SENATOR WIITALA: Yes, Senator Lamb.
