by voting aye, opposed nay. Call of the House has been
asked for. All those in favor signify by voting aye,
opposed nay. Record.

CLERK: 13 ayes, 0 nays to go under Call, Mr. President.

SENATOR NICHOL: The House is under Call. Will you please
indicate your presence? Unauthorized personnel please
leave the floor. Sergeant at Arms, will you please round
up the lost strays. Incidentally, while we are at Ease
here for a moment, Senator Lamb has some words of wisdom
for us.

SENATOR LAMB: Mr. President and members, not words of
wisdom but just to outline the problem. We will next
week continue on Select File until we finish Select File,
which means at the rate we are going we may not even get
back to General File. So I have had a number of requests
tonight that we continue until we finish this bill. There
are...what, two or three more amendments up there on the
bill, so with your concurrence we will just continue and
try to finish this bill.

SENATOR NICHOL: Seven are now excused and we are waiting
for....please indicate your presence. Some of you have
not checked in. Senator Labedz, do you want to record.
Senator Wagner. Senator Warner. Senator Wiitala. Senator
Cullan here? Proceed with the roll call. Senator Higgins,
for what purpose.....

SENATOR HIGGINS: I would like to ask the Acting Speaker,
Senator Lamb, a question before we vote.

SENATOR NICHOL: Would you like to respond, Senator Lamb?

SENATOR LAMB: Okay.

SENATOR NICHOL: Senator Higgins.

SENATOR HIGGINS: Senator Lamb, we spent some time yester-
day on a special order bill that was a committee bill,
committee priority bill. It was placed above senators'
priority bills. Could you tell me why after two weeks
ago the Chairmen all agreed that senators' priority bills
would come before committee priority bills? And this
bill was put on special order by you who is also one of
the introducers of the bill. Now did this not delay Select
File?

SENATOR NICHOL: Senator Higgins, may I make a suggestion.
Why don't you go over there and talk with him face to face
