LR 278, 279,

about the past and plants which they can not find elsewhere in abundance. I understand that the nine mile prairie is still being negotiated and it may become a property of the University of Nebraska, which is a goal that I had in mind when I passed the bill a couple of years ago, with the help of Senator Landis. Now with this in mind I urge this body to adopt LR 278 proclaiming the week of September 19-25 of 1982 as Nebraska Prairie Appreciation Week. In doing this the Nebraska Legislature calls upon all citizens of Nebraska to reflect on and appreciate the richness and beauty the prairie has provided our state. With this, I'll ask you to approve this resolution.

SENATOR CLARK: Is there any discussion of the resolution? If not, all those in favor of adopting the resolution vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the adoption of the resolution? Record the vote.

CLERK: 31 ayes, 0 nays, Mr. President.

SENATOR CLARK: The resolution is adopted. LR 279.

CLERK: 279, Mr. President, is offered by Senator Wesely.

SENATOR CLARK: Senator Wesely.

SENATOR WESELY: I would ask that that be passed over, Mr. President.

SENATOR CLARK: All right, we will pass over it. LR 281.

CLERK: Mr. President, Senator DeCamp would move to suspend the rules and vote on adoption of the balance of the resolutions on the agenda today.

SENATOR CLARK: Senator DeCamp.

SENATOR DeCAMP: Mr. President, it is not outrageous, I have checked, every other resolution is an honor or happy birthday type. All the other ones have been withdrawn and I think this might make sense about this time.

SENATOR CLARK: 381 has been withdrawn. You heard the motion. All those in favor of the motion will vote aye suspending the rules, opposed vote nay. Suspend the rules
