SENATOR CLARK PRESIDING

SENATOR CLARK: The Legislature will come to order. We will have the prayer this morning by Reverend Ray Daniel, College View Seventh-Day Adventist Church.

REVEREND DANIEL: (Prayer offered.)

SENATOR CLARK: Roll call. Record.

CLERK: There is a quorum present, Mr. President.

SENATOR CLARK: Do you have any corrections to the Journal?

CLERK: I have no corrections, Mr. President.

SENATOR CLARK: Do you have any messages, reports or announcements?

CLERK: Two brief items, Mr. President. I have two Attorney General's Opinions both addressed to Senator Warner regarding factors the Board of Equalization must consider in setting tax rates. Those will be inserted in the Legislative Journal. (See pages 65-71, Legislative Journal.)

SENATOR CLARK: We will now have Final Reading. I understand what we are going to do is read the big bill first. Before we vote on it at the end after Final Reading, the Governor is going to come in and talk to us. The Clerk will read LB 1.

CLERK: (Read LB 1 on Final Reading.)

SENATOR LAMB PRESIDING

SENATOR LAMB: All provisions of law relative to procedure having been complied with...Senator DeCamp, for what purpose do you arise?

SENATOR DeCAMP: Mr. President, just a point of clarification, can this bill have line-item vetoes or not or do we know for sure? Can Senator Warner, do you know, Jerry? Can it or can't it or does it matter?

SENATOR WARNER: Mr. President, members of the Legislature, first I don't know that that is a question that needs to be of concern. I have heard some speculation both ways. I am not aware of any opinion that has been asked to that point so I really can't address it. I would agree that based upon a series of letters that have come from the Attorney General that that point may be a valid one to raise but I am not aware of any reason to assume a conclusion either way.
