LR 31, 40, 39

debatable again now on this matter and the Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I recognize that the Legislature has spoken. I abide by that decision and I think that it would be useless and futile at this time to proceed with the debate on LB 463. Therefore, I respectfully request permission to withdraw that motion and that the bill remain with the Ag and Environment Committee.

PRESIDENT: Are there objections to Senator Schmit's request to withdraw his motion on LB 463? If not, Senator Schmit's request will be granted. That takes care of that matter on the agenda. Do you have matters for the record, Mr. Clerk?

Mr. President, Senator Chambers would move to withdraw LR 31 which is a constitutional amendment. That will be laid over pursuant to our rules.

I also have notice of hearing from the Judiciary Committee signed by Senator Hoagland as Chair.
