

just two or three things. As you all know, we meet every day this week. We start every day at nine o'clock and the dates have been picked as to when the group are going to Washington starting the 23rd of February thru the 23rd, 24, 25, 26, and 27. We will be back in business here in the Legislature on Thursday, the 28th. So mark your calendars accordingly and the committee hearings have started, of course, and I suggest that the Chairmen get the bills that pass the committee back to the Clerk so that we can start to work on them. Tomorrow we will take up two or three or a few of the bills that we have been handling that are sitting over there on Select and E & R Initial, handle those and then we will be back on the Commonwealth debate. The Commonwealth debate will probably start about nine-fifteen or nine-twenty, something like that. So with that, Mr. Chairman, I move that we adjourn...oh, excuse me, Pat has something.

PRESIDENT: Yes, Mr. Clerk.

CLERK: Excuse me, Mr. Speaker, one other item came in. A new resolution, Mr. President, offered by Senator Smith and several other members. (Read LR 42. See page 393 of the Legislative Journal.) That will be laid over, Mr. President.

PRESIDENT: Senator Nichol, do you have a motion to adjourn until ten, tomorrow morning?

SPEAKER NICHOL: Yes...nine, tomorrow morning.

PRESIDENT: All right, at nine o'clock. I was trying to gain another hour.

SPEAKER NICHOL: Yes, caught you.

PRESIDENT: All those in favor of adjourning until nine o'clock, tomorrow morning say aye. Opposed no. Motion carried. The Legislature is adjourned.
