

and for that reason I would now withdraw my motion to rerefer.

SPEAKER NICHOL: No objection? It is withdrawn. Senator Warner, you had your light on for a purpose? Personal privilege or...? Okay. Mr. Clerk, do you have another motion?

CLERK: Mr. President, I received a motion from Senator Haberman. Senator Haberman would move to rerefer LB 662, 679 to the Education and Revenue Committees.

SPEAKER NICHOL: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, I hate to delay this any longer, but I've got the feeling that there are some members of this body that feel that these two bills should go to two committees and I don't know any two better committees to go to than the Education and the Revenue and quit all the squabbling, then everybody can have their fair shot at them and it just takes away all of this interplay and everything else. Let's put them in Education and put them in Revenue jointly and I will listen very intently as to debate against this issue.

SPEAKER NICHOL: Senator Lamb.

SENATOR LAMB: (No response.)

SPEAKER NICHOL: Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, this is not on the agenda, is it?

SPEAKER NICHOL: That's right, it is not.

SENATOR BEUTLER: Mr. Speaker, then I would ask that it be removed for the time being and delayed.

SPEAKER NICHOL: No, Senator Haberman, there is nothing to amend on the floor at the time, so your motion was new and the only reason I allowed it, Senator Beutler, was that it was relevant to what we've been discussing and if you wish it withdrawn and take it up tomorrow...

SENATOR BEUTLER: If the Speaker wishes to take it up and be
