this bill is being seen as a model piece of legislation, that the Communicating for Agriculture group, which was very helpful and Jeff Christensen in particular ought to be cited for his efforts in this area, Communicating for Agriculture was really the one that came to the task force, and Jeff Christensen, a member of the task force, worked on this to initiate it. They are taking this bill, and the draft of it, around the country as a model for this type of a program. Mutual of Omaha, the largest health insurer in the country, is also very interested in it as a model piece of legislation. So this bill is one that we can be proud of. I ask your support for it.
