CLERK: I got Senator Hannibal's, yes.

PRESIDENT: All right.

CLERK: (Continued with vote.) 13 ayes, 27 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion fails and the bill fails to advance. Do you any matters for the record, Mr. Clerk?

CLERK: Yes, sir, I do. Mr. President, I have the list of registered lobbyists required by statute to be filed in the Journal for the week of February 8 through February 14.

Senator Warner, as Chair of Appropriations, reports LB 195 as indefinitely postponed. (See page 617 of the Legislative Journal.)

And the Government Committee, with Senator Landis as its Chair, reports LB 43 to General File with committee amendments attached. (See pages 617-18 of the Legislative Journal.) That is all that I have, Mr. President.

CLERK: Mr. President, 288, offered by the Miscellaneous Subjects Committee. (Read title.) The bill was read for the first time on January 17 of this year. It was referred to the Miscellaneous Subjects Committee for a public hearing. The bill was advanced to General File. I do have committee amendments pending by the Miscellaneous Subjects Committee.
