

**PRESIDENT:** Senator Haberman wishes a point of personal privilege. May we have order. Senator Haberman for personal privilege.

**SENATOR HABERMAN:** Good morning, Mr. President and members of the Legislature.

**PRESIDENT:** Good morning.

**SENATOR HABERMAN:** Here a few weeks ago I passed out cigars because I had a new baby granddaughter and I promised at that time that I would have some candy for those people who didn't smoke. **SENATOR LANDIS:** Mr. Speaker and members of the Legislature, the contents of this bill were very effectively amended into another bill. It is unnecessary to go through the process. It is unnecessary to hold a hearing on this. We will save ourselves time and administrative costs by withdrawing the bill.

**PRESIDENT:** Is there further discussion or objection? If not, a machine vote is required. All those in favor of the motion to withdraw LB 281 vote aye, opposed vote nay. Are you ready for the Wesley report? The Clerk will record the vote.

**CLERK:** 27 ayes, 0 nays, Mr. President, on the motion to withdraw the bill.

**PRESIDENT:** The motion prevails. LB 281 is withdrawn. The
