LB 662
LR 59

athletic program in schools is starting to gather momentum, putting them on par with the boys teams that have been in the forefront through the years. It gives me an added pleasure to be able to honor one of the schools in the Douglas County portion of my district. I have been fortunate enough to have been able to honor some of the teams in Sarpy County in the past and now we are getting started in the Elkhorn portion. And this is an honor for the girls who went wire-to-wire rated Number One, Class B, through the whole season. So it is my pleasure that I endorse this resolution. Thank you.

SPEAKER NICHOL: There are no other lights on on the resolution. All those in favor of the resolution vote aye, opposed nay. Have you all voted on the Beyer resolution? If so, record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of LR 59.

SPEAKER NICHOL: The resolution is adopted. I would like to announce that Senator Jerry Miller has a guest, Mr. Howard Lichemann of Hildreth, Nebraska and Howard is the father of Wayne Lichemann, a student at Wilcox School, who is the state wrestling champ second year in a row with 53 consecutive wins. Would you please stand, Howard, and be recognized. You might use your talent on Senator Miller some time. We are ready to move on to LB 662 and I have a request from Senator Dave Landis to have a regular roll call on all votes on LB 662 and have a regular order roll call on the advancement of LB 662. Mr. Clerk.

CLERK: Mr. President, LB 662 was offered by Senators Vard Johnson, Dave Landis, Peter Hoagland, and Dan Lynch. (Read title.) The bill was first read on January 22 of this year, Mr. President. It was referred to the Education and the Executive Board for purposes of conducting a public hearing. The hearing was held. The bill was advanced to General File. I do have committee amendments pending, Mr. President.

SPEAKER NICHOL: Senator Vickers, are you going to handle the amendment?

SENATOR VICKERS: Yes, Mr. President.
