

an...take the abstracter's test and so forth and pay their dues to sell title insurance?

SENATOR BEUTLER: In order to sell title insurance, no.

SPEAKER NICHOL: Yes. Now tell me exactly what is different about attorneys because I have been getting objection from attorneys saying that they don't like what is in the bill because they have to do something what is in the bill that they haven't had to do in the past. What is that?

SENATOR BEUTLER: Well, maybe I am getting confused, but I don't know that there is anything.

SPEAKER NICHOL: Well, why would the attorneys be objecting if this is simply a bill that is reenacting the old sunset bill when they didn't object to it before? I don't understand that.

SENATOR BEUTLER: Well, I must be forgetting something, Senator Nichol, but I don't know the answer to that either. I will find it for you though.

SPEAKER NICHOL: All right. Well, simply what I want to know, Senator Beutler, I don't object to the renewing of a sunseting bill providing it doesn't make substantial changes that they haven't had a chance to...

SENATOR BEUTLER: Yes. Well, as I recall...

SPEAKER NICHOL: I...I don't...

SENATOR BEUTLER: ...I think the lawyers were taken care of with the committee amendments or some...yes, with the committee amendments. They were taken out. I guess the original bill...that was it, the original bill in its original form would have precluded them from this.

SPEAKER NICHOL: You wouldn't know...would you give me...you don't need to do it now, but would you give me the number of the amendment that did that so that I can satisfy them?

SENATOR BEUTLER: They are part of the committee amendments.

SPEAKER NICHOL: Whatever they are, yes.
