Record, Mr. Clerk.

CLERK: 25 ayes,   11 nays,   Mr. President,   on adoption   of
Senator Lamb's amendment.

SPEAKER NICHOL: The Lamb   amendment is   adopted.   I   would
like to   introduce some   guests of   Senator Peterson   in the
east   balcony.   They   are   from   the   Northeast   Technical
Community   College   at   Norfolk,   Nebraska   with   their
instructor.   Would   you please stand   and be recognized.   I
wonder how   come you picked   such a   nice day to   come here.
Did   that have   anything   to do   with   it?   Welcome to   the
Legislature.   Mr. Clerk, do   you have something else   on the
bill?

CLERK: Yes, sir.   Right before   that if   I may,   however,
Senator Lamb would like to   print amendments to LB 38; Urban
Affairs reports   372 to General   File with amendments.   That
is   signed by   Senator Withem;   Agriculture and   Environment
reports   441 to   General File,   127 to   General File   with
amendments,   380 General File with amendments,   589 and   619
indefinitely postponed, those signed   by Senator Rod Johnson
as Chair.   (See pages 1047-48 of the Legislative Journal.)

Mr. President,   the next   amendment I   have to   the bill   is
offered   by Senator   Rod   Johnson.   It   is   REQ652.   (See
R. Johnson amendment   found on page 1049 of   the Legislative
Journal.)

SENATOR NICHOL: Senator Johnson, p ease.

SENATOR R.   JOHNSON: Mr. President, members, a   very simple
amendment.   All it does is place back into the language that
if Class I's wish to form a   Class VI district that they can
do so.   Under the   bill we sort of say no   more new Class VI
districts will   be formed.   What I am   saying is   let's put
that language   back in   the bill to   allow Class VI's   to be
developed if   they so choose to   do so.   It   simply provides
another option to the local people   if this bill should pass
that they could exercise that option   if they wish to do so.
And Senator   Lamb has   talked about   representation, as   you
know   under a   Class VI situation,   the Class I   districts
continue   to have   their local   board,   they pay   a levy   to
support that Class I   school site.   They also pay   a levy to
the Class VI   school site   and they   also elect   their board
members at   large.   So they   do have representation   on both
