

and arguments and I would go along with Senator Warner's suggestion.

SENATOR LABEDZ: Senator Higgins, it is a possible recommendation also that the Speaker could appoint five members or Committee on Committees if it would meet with your approval.

SENATOR HIGGINS: I have the utmost of confidence in the Speaker, but I think it would be fairer if the urban senators met and the rural senators met and picked their own senators.

SENATOR LABEDZ: Mr. Speaker.

SPEAKER NICHOL: Count me out on that one, would you please? I'd just suggest that we keep on going with it. I don't see any need in stopping. We have today and tomorrow and...

SENATOR LABEDZ: You're next.

SPEAKER NICHOL: ...I don't want to get involved in a long drawn out deal unless all of you do, so I'd just suggest we stay in there and plug away at it. We had some others that are just as tough before this one and we got somewhere. It may not be what we like or dislike, but I'd just suggest we hang in there.

SENATOR LABEDZ: Senator Lamb, do you wish to speak on Senator Higgins' motion?

SENATOR LAMB: Yes, Madam President. My suggestion would be...

SENATOR LABEDZ: Just a minute, Senator Lamb, there has been a request made to raise the call. The call is raised.

SENATOR LAMB: I think we should at least adopt the committee amendments before we do this and my understanding is that there is only one...I don't know. I don't much care whether we delay it or not. I might argue one side or the other on that, but I do think we should adopt the committee amendments before we leave the bill and it's my understanding there is only one more amendment and that might possibly be withdrawn and if Senator Higgins would agree to, Senator Higgins...
