Senator DeCamp. (Title read.)   The bill was read on
January 22, referred to the Banking Committee for hearing.
The bill was advanced to General File. There are Banking
Committee amendments pending, Mr. President.

PRESIDENT: May we have (gavel) order on the floor, please,
so we can listen to this debate.   The Chair recognizes
Senator DeCamp for the amendments of the committee, LB 691.

SENATOR DECAMP: Mr. President, the committee amendments
themselves merely clarify and tighten up the statutory
language which gives the Director of Banking the authority
to deal with an insolvent industrial in the same way as an
insolvent bank and I'd ask the committee amendments be
adopted. But above and beyond that, why don't we adopt the
committee amendments and give Senator Beutler a chance to
get to his chair and then we can discuss the bill after
that.

PRESIDENT: Is there further discussion on the committee
amendments to LB 691? If not, the motion is to adopt the
committee amendments. All those in favor vote aye, opposed
vote nay. We're voting on the adoption of Banking Committee
amendments to LB 691. Please record your vote. The motion
is to adopt the committee amendments to LB 691. May we have
your cooperation and vote yes or no. The pending motion is
to adopt the Banking Committee amendments to LB 691. Please
record your vote. Have you all voted? Record the vote,
Mr. Clerk.

CLERK: 25 ayes, 0 nays on adoption of committee amendments
to LB 691.

PRESIDENT: The committee amendments are adopted.   Do you
want to explain the bill, Senator DeCamp?

SENATOR DECAMP: Yes, Mr. President, I have   another
amendment. There is an Attorney General's Opinion that says
some of my procedure in the bill may be of constitutional
suspect, as they say. So I've got an amendment and I would
ask you to consider the amendment seriously because I think
it completely overcomes any constitutional hurdle and any
legitimate arguments that opposition to the bill would be.
Now what is the bill?   It deals with Commonwealth really,
but in terms of classification just like all bills dealing
with broad subjects or big subjects, you have to have a
