

SENATOR MOREHEAD: No, they aren't passed around.

SPEAKER NICHOL: Mr. Clerk, are they in the Journal?

CLERK: No.

SPEAKER NICHOL: No, they are not I understand.

SENATOR GOLL: Can we get a copy of these amendments? Are they being submitted for our use?

SPEAKER NICHOL: Senator Haberman, are they?

SENATOR HABERMAN: I can have copies made if Pat will loan me the ones that he has because these are the only copies I have.

SENATOR GOLL: Well, Mr. Speaker, I'd just like to see what is that we'll be voting on.

SENATOR HABERMAN: Mr. Speaker.

SPEAKER NICHOL: There is no requirement that they be printed, but the Clerk will try to get them printed as soon as possible.

SENATOR HABERMAN: I'm having it done now, Pat.

SPEAKER NICHOL: Okay.

SENATOR MOREHEAD: (Mike not turned on immediately.) Senator Haberman, is it possible that we try and add it on Select File rather than this afternoon?

SENATOR HABERMAN: No, ma'am, I'm sorry, I want to do them now and, Senator Goll, we've done this before. I didn't have the time to print them in the Journal or I would have. We're having copies made now so I'll go through the first one again so Senator Goll and everybody can understand it while they're printing the copies if that's all right.

SPEAKER NICHOL: Just so you'll know what we're doing. We're on the Haberman amendment and we'll have a copy to you shortly and that's where we are now. Did you wish to speak further about it, Senator Haberman?
