

Senator Nelson?

SENATOR NELSON: No, they would not. It would be the choice whether I went to a county hospital for services if I had my tonsils out or whether I wanted to go to maybe a Methodist Hospital. Nothing says that they have to go to a private or a public for treatment. It just simply says that there will be hopefully more treatment centers available. Senator Wesely will have a bill, LB 685, that again we'll probably get some funds from this bill. I think Senator DeCamp had a bill in also and I don't know whether they are funding on this now, a detox center. So I can go down through the list of Program 33.

SENATOR HIGGINS: Well, Senator, we have already mentioned that. I asked a question...

SENATOR NELSON: Program 33...

SENATOR HIGGINS: I am asking you to be fair and not burn up all my time, Senator.

SPEAKER NICHOL: Excuse me, ladies. Just a minute. Senator Lundy, for what purpose do you rise?

SENATOR LUNDY: (Microphone not activated)...talking on the A bill and the A bill is not in front of us.

SPEAKER NICHOL: All right, thank you. Your point is well taken.

SENATOR LUNDY: I don't think it is germane to have this kind of questioning on a bill that is not under consideration.

SPEAKER NICHOL: Okay, we are back, ladies, with all respect we are back to the...we are on the original bill, not on the A bill yet, so...

SENATOR HIGGINS: Mr. Speaker...

SPEAKER NICHOL: ...you have one minute left. Yes.

SENATOR HIGGINS: ...after all those interruptions I am lucky I have got a minute left. The point I was making was that all of the argument on the floor that I heard in the
