enacting that moment, then we are bogged down with a tar baby and we will have no chance of solving the problem. This issue must go forward even though it's been built in with a study, with a delayed implementation date, that end, that hammer has to be there for us to face the issue.

SPEAKER NICHOL: One minute.

SENATOR LANDIS: I oppose the Scofield motion.

SPEAKER NICHOL: Mr. Clerk, do you have something you want to put in?

CLERK: Mr. President, a communication from the Speaker regarding the referrals of LR 81 and 82.

Senator Hoagland has amendments to LB 356 to be printed; Senator Smith amendments to LB 199 and 82.

Your Committee on Enrollment and Review reports 108 correctly engrossed; 259, 269A, 287, 336, 533, 496, 552A and 700 all correctly engrossed.

Mr. President, your Enrolling Clerk presented to the Governor this morning the bills read on Final Reading. (Re: LB 387, 268, 344.) (See pages 1459-60 of the Legislative Journal.) That's all that I have, Mr. President.

SPEAKER NICHOL: I'd like to introduce a guest of Senator Wesely under the south balcony, Mr. Alain Davezac. Mr. Davezac is Chief of Staff for Lionel Jospin, (phonetic) Socialist Party, First Secretary, Socialist Deputy and European Parliamentarian. Would you please stand, Mr. Davezac and be recognized by the Legislature. Mr. Davezac is from France I must add. Senator Dennis Baack, would you step to your microphone and move to recess until one-thirty, please.

SENATOR BAACK: Yes, Mr. Speaker and members, I move that we recess until one-thirty.

SPEAKER NICHOL: You've heard the motion. All in favor say aye, opposed nay. We are recessed and we'll come back exactly where we left off with 662. Thank you.
