

would say you are entirely welcome to try your own amendment. If you want to include some others, about all I can suggest to you is try them and I think this amendment that I am returning this bill for is self-explanatory. And, Senator Chambers, whether we are taking...whether this amendment will take it out of compliance I suppose depends upon which side of the issue you are on. We know that words are twisted around here every day. If a person is sharp enough, I suppose he can say that yes, means no. And if you can get 25 votes, it will. I would say that frequent stops mean occurring often. That is a very brief explanation. And so I would just urge this body to bring...to return this bill and add this amendment.

PRESIDENT: The motion is to return the bill to Select File for a specific amendment. All those in favor vote yes, opposed vote no. Please record your vote. Record the vote, Mr. Clerk.

CLERK: 26 ayes, 8 nays, Mr. President, on the motion to return the bill.

PRESIDENT: The motion prevails. Senator Hefner.

SENATOR HEFNER: Mr. President, I move the amendment.

PRESIDENT: The motion is to adopt...the motion is to adopt the Hefner amendment and I recognize Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, you all may not realize it but not everybody who makes frequent stops in connection with his or her job is doing so to make deliveries. In Omaha they have people who pick up garbage, Senator Hefner. They do have to get out of the truck, but sometimes they stop a number of times within a single block. But they are not making a delivery, they are making a pickup so they have got to put on their belt every time and what kind of sense does that make? It makes carnival of animal legislative sense. We are talking about an amendment to accommodate people who are engaged in a certain type of work. It doesn't even say you have to make a delivery, Senator Hefner. Read what the amendment says, but because it is difficult I am going to read it for you. "A person making frequent delivery stops"...the noun, if Senator Withem were listening, is "stops". The word "delivery" is an adjective. So the thing you do is stop.
