

products without everybody thinking I am a bandit. he notice is important so that they will all know immediately, before this planting season occurs, the whole system has changed, it is a new world, these are the new methods, this is what is occurring. We did the same thing when we changed the medical malpractice law. We made every hospital and every doctor, who was going to be under that plan, post an explanation of the new system. It worked pretty well at least in explaining it, even though Senator Chambers and some others would disagree as to the efficacy of the system itself. So I support the amendment because it will explain, for everybody's benefit, the whole new system.

SENATOR BEUTLER: Senator Pappas, it is time to close on your amendment to the bill.

SENATOR PAPPAS: (Response inaudible.)

SENATOR BEUTLER: Okay, the motion before you is the adoption of the Pappas amendment to LB 606. All those in favor vote aye, opposed nay. Please vote. Please vote so we can move on. Voting aye, Pat. Is there anybody else that wishes to vote?

CLERK: Senator Beutler voting yes.

SENATOR BEUTLER: Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays on adoption of Senator Pappas's amendment to the bill.

SENATOR BEUTLER: The amendment is adopted. Are there any further amendments, Mr. Clerk?

CLERK: Mr. President, Senator Haberman would move to amend. (See Haberman amendment found on page 1622 of the Legislative Journal.)

SENATOR BEUTLER: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, Senator DeCamp has explained to you, period, not eloquently, but explained to you what the bill does and that it is a new idea, it is a new innovation, we are the first state to try it, and we're going to try it for three years and see how it works. I support the bill. I support the idea. However, I
