

a minute.

SENATOR BEUTLER: Pass over that, Mr. Clerk.

CLERK: Mr. President, the last two items I have to do today is Senator DeCamp has amendments... Senator DeCamp would like to print amendments to 404, and Senator Labeledz would like to print amendments to 408. That is all that I have. (See pages 1634-36 of the Legislative Journal.)

SENATOR BEUTLER: Mr. Speaker.

SPEAKER NICHOL: Mr. Chairman, members of the Legislature, I talked to you yesterday about what we are going to do tomorrow, which is Thursday. At that time I told you we were going to be on Final Reading, which would include 664. But I did not say whether we'd do that in the morning or afternoon. We are going to start Final Reading in the morning so that we wind up somewhere in the middle of the day, maybe forenoon, maybe afternoon, by the time we...662, excuse me. So somewhere between eleven and one-thirty I suppose we'll get to 664 because some of you wanted...some people...662. It's all right. I'm all right. Don't worry about a thing. But I did want you to know at what time we'd approximately be reaching that so you could make any arrangements, or bring friends, or see that friends didn't come, or whatever your wishes were. So then after that General File and General File Friday morning, of course. We'll wind up about noon Friday. So, that is just what I wanted to let you know. Thank you.

SENATOR BEUTLER: Thank you, Mr. Speaker. For what reason do you rise, Senator Hartnett?

SENATOR HARTNETT: I'd like to make a special announcement. I have a special guest tomorrow, Colonel David Donnelly from the Offutt Air Force Base, Commander of the Air Force Global Weather Control. He's going to be my guest. I would like to invite you for doughnuts and coffee in Room 2102 tomorrow morning. The doughnuts are from Bellevue, we're going to import them. Watch me with imports. Thank you.

SENATOR BEUTLER: Senator Chizek, would you do us the favor of...Senator Chizek is busy. Senator Hall, how about adjourning us until 9:00 a.m. tomorrow.
