

you to vote to allow Senator DeCamp to put this bill on the floor. And when the other bill comes out I certainly will want to have a part of it, may even want to be a co-sponsor because I think it is so terribly unfair that some industries get taxed year, after year, after year and the insurance companies have not had an increase in 45 years. So I would urge you to help bring this bill, that Senator DeCamp wants, to the floor. Thank you.

SPEAKER NICHOL: Thank you. Senator Smith, you are next, but may I introduce some guests please of Senators Chizek, Beyer and Abboud. They are 125 seniors from civics classes at Millard High School...Millard South High School, I should say, near Omaha, accompanied by their teachers. Would all of you please stand and be recognized by the Legislature. Thank you for visiting the Legislature. Senator DeCamp, would you like to close, please.

SENATOR DECAMP: (Response inaudible.)

SPEAKER NICHOL: The question is the introduction of the Banking Committee's new bill. All those in favor vote aye, opposed nay. It takes 30 votes. Record, Mr. Clerk, please.

CLERK: 31 ayes, 0 nays, Mr. President, on the introduction of the new bill.

SPEAKER NICHOL: The new bill is introduced.

CLERK: Mr. President, new bill, LB 726, offered by the Banking Committee and signed by its members. (Read by title for first time. See page 1887 of the Legislative Journal.)

SPEAKER NICHOL: Senator Vard Johnson, are you going to take that? Just a moment, please. At ease.

EASE

SPEAKER NICHOL: Do you have anything to put in?

CLERK: Nothing further at this time, Mr. President.

SPEAKER NICHOL: All right, now we'll go on LB 273. We moved 273 yesterday, we'll not go on it again today. We'll move on to LB 717.
