

PRESIDENT: About one minute left, Senator.

SENATOR HIGGINS: ...really don't care one way or the other as long as I know now where to find out what I am voting on. Thank you.

PRESIDENT: Senator Rogers, did you have a question on this one?

SENATOR ROGERS: Mr. Speaker, I just wanted to ask Senator Warner one question. Does the Game and Parks Building have a flat roof?

PRESIDENT: Yes.

SENATOR ROGERS: Okay, thank you.

PRESIDENT: That was not Senator Warner who answered that question. I'm sorry, Senator Rogers, I was just throwing that in myself. But I think it is true, isn't it, Senator?

SENATOR WARNER: Yes, in fact, the new roof that they will be putting on will be adding some pitch to it.

SENATOR ROGERS: No, I was serious when I asked this because I don't think any governmental subdivision of any kind should have flat roofs because this is a well known fact all over the hospitals and courthouses and whatnot, they always have a problem.

PRESIDENT: I was serious when I answered too because I feel that way and I am just all that I can do to contain myself from entering into the debate sometimes. My apologies. Senator Haberman, do you wish to ask a question? Senator Haberman, your light is on, do you wish to speak on this? Anyone else wish...Senator Lamb, did you have a question? Senator Lamb, you have your light on, did you have a question on the appropriations bill of Senator Warner?

SENATOR LAMB: Mr. President and members, I don't have a question but if it would be acceptable, I have a short statement, Mr. Lieutenant Governor.

PRESIDENT: The Chair will grant you that privilege under your time.
