

urge the adoption of Senator Hall's amendment. I think it is a fair and reasonable, as Senator Barrett says, compromise.

SENATOR LAMB: The Chair recognizes Senator Hall to close on his amendment.

SENATOR HALL: I'll close if there are no other lights.

SENATOR LAMB: No other lights.

SENATOR HALL: This amendment will put in place the T-bill rate for postjudgment interest and prejudgment interest if this bill should pass. I think that it is an amendment that makes sense. It makes sense for the big people and it makes sense for the little people. I would urge your support for this amendment.
